Father Bo

Of all the festivals of the Christian year, Easter is the most important and joyful, because it is the day that celebrates the most important event in Jesus' life, the whole reason for his coming into the world. Through his life, suffering, and death, Jesus freed us from slavery to our sins, making it possible for us also to rise from death to a new life of everlasting joy.

That is what Easter is all about. No wonder Easter has been known from early Christian times as the "happiest of days," "the bright day," "the Sunday of joy," and the "festival of festivals."

Easter is always celebrated on the first Sunday after the full moon, which occurs closest to March 21, the first day of spring.

Thank you

To all those who came to the church to celebrate Holy Triduum and Easter and to all those who took part in the liturgy in various ways: readers, sacristans and pandemic crews as well as our cantors & musicians. Very special thanks to those who came out to decorate our church. The time and kindness of everyone involved is greatly appreciated.

Divine Mercy Sunday

You and all members of your family are invited in a special way to our Sunday Masses next week when we will celebrate the Feast of the Divine Mercy.

Jesus said to Saint Sister Faustina: *The very depths of My Mercy will be opened on that day. I will pour out a sea of graces upon these souls that will approach the fount of My Mercy on this day. The souls that will go to confession, in preparation and Communion on this day will obtain a complete remission of all sin and all punishment. I desire that it be celebrated with great solemnity on the first Sunday after Easter".*
