Angelus

Have you ever wondered why the bells ring three times throughout the day? By the 14th century, it became customary to ring the church bells to remind the faithful to pray in honor of Mary and to remember the mystery of the Incarnation. This tradition of the Angelus (Latin *angelus*, “angel,” the first word of the angelus prayer) imitates the ancient monastic call to pray by ringing the church bells. It is still popular today in many parishes. To say this prayer:

V: The angel of the Lord declared unto Mary

R: *And she conceived by the Holy Spirit.*

V: Hail Mary, full of grace: The Lord is with thee. Blessed art thou among women and blessed is the fruit of thy womb, Jesus.

R: *Holy Mary, Mother of God: Pray for us sinners now and at the hour of our death. Amen.*

V: Behold, the handmaid of the Lord.

R: *Be it done unto me according to thy word.*

V: Hail Mary...

R: Holy Mary...

V: And the Word was made flesh

R: *And dwelt among us.*

V: Hail Mary...

R: Holy Mary...

V: Pray for us, O holy Mother of God,

R: *That we be made worthy of the promises of Christ.*

V: Let us pray.

All: Pour forth, we beseech thee, O Lord, thy grace unto our hearts, that we, to whom the Incarnation of Christ, thy Son, was made known by the message of the Angel, may by His Passion and cross be brought to the glory of His Resurrection, though the same Christ, our Lord, Amen.

Precept of the Church and Easter Duty

In addition to the Ten Commandments given by God to Moses as found in the Old Testament (Exodus 20:2-17 and Deuteronomy 5:6-21) that oblige Jews and Christians to this very day, the Catholic Church has established its own set of particular commandments or “precepts” that bind the baptized Catholic faithful.

The Precepts of the Church are as follows:

- Attendance at Mass on Sundays and Holy Days of Obligation
- Confession of serious sin at least once a year
- Reception of Holy Communion at least once a year during the Easter season (ordinarily Easter Sunday through Pentecost Sunday)
- Observance of the days of fast and abstinence
- Providing for the needs of the Church

Laws are an ordinary part of every human society and the Catholic Church is no exception. The Catholic Church is a universal community of doctrine (faith and morals), worship (prayer and sacraments) and law (discipline and order). The Precepts of the Catholic Church do not replace the Ten Commandments of the scriptures mentioned above; they are an addition to them, a set of minimum expectations of behavior, established specifically to bind baptized members of the Catholic Church.

Easter Duty, as a Precept of the Church, draws the Catholic faithful directly into the heart of the Paschal Mystery, hence the importance of Eucharistic reception during the Easter season (ordinarily Easter Sunday to Pentecost Sunday). Although most Catholics receive Holy Communion frequently throughout the year including Eastertime, Easter Duty sets the minimum obligation and expectations for those who do not.
