
Catechism Bulletin

Greetings of peace!

In these unprecedented and challenging times we continue to journey and grow in faith together. As per last month's catechism bulletin, our parish catechesis continues via remote instruction and distance learning using the Gospel Weeklies Faith Formation Program. We elect videoconferencing once a month to reach out to you and your children to help and support you as your children's primary teachers of the faith.

This year's study includes 32 weekly lessons. Each of the program's 32 lessons focuses on a unique doctrinal theme that connects the Sunday Gospel to the Catechism of the Catholic Church. In addition to providing a thorough grounding in faith and Scripture, the program also draws the children in through connections to current events and real-life stories.

We look forward to starting this year's catechesis as soon as we get the materials to you. Catechism fee is waived. To cover the cost of program materials, each student pays \$35. Enclose cash payment (exact amount only) in an envelope labeled with your child's name and bring to church when you pick up the materials.

Our parish is truly grateful to all families and parishioners who have continued to send in their generous financial support through **PAC** (Pre-Authorized Contribution) and those who bring their envelopes when they come for Sunday Mass; mail in or drop off their Sunday collection envelopes in the parish mailbox. If you have not done so these past 7/8 months, please respond generously and immediately. The best way to continue your support of St Joseph's Parish is through the Pre-Authorized Contribution. Attached is the [PAC Enrollment Form](#). Please print the form, fill it out and bring to church along with a void cheque.

Now more than ever it is so important that you are receiving the "Bulletin on line". If you have not yet registered to receive the parish bulletin in your email inbox, please register at <http://stjwinnipeg.weebly.com/>. Stay connected and be informed at all times. Let's continue to observe and follow health guidelines and protocols. We pray with confidence and hope that all be well by the grace of God. We pray for a wonderful, exciting, joyful journey of faith amidst the pandemic. Keep the faith!
